

Get a Custom Branded Israel @ 60 Web Site for Your Community or Organization!

Get a Fully Branded Israel @ 60 Web Site!

Take advantage of our ready-to-use site to introduce your community to the world's most amazing and dynamic country – ISRAEL. Packed with fantastic content and updated regularly, your fully branded Israel @ 60 site will feature:

- Over 18 "**Israel's 60 Best**" lists that cover topics such as history, archeology, books, music, nature spots, personalities and more!
- **Information about Israel** – the land, society, culture and people.
- Photo **galleries, videos** and great content.
- Action for Israel – **advocacy resources**, tools and materials.
- "**This Day in History Calendar**" highlighting Israel's history including ideas for events in your community.

What do you get?

- Brand your site with **your own logos** – organizational and Israel @ 60. Or, use the Israel Celebrates 60 logo if you like!
- The site sits at **your web address** (or as a sub-domain on our site).
- **An editable home page** section for your own updates.
- Your own "**About Us**" page where your constituents can learn more about you.
- Dedicated "**Contact Us**" page so visitors can reach you.

Benefits of our Web Sites!

- **You're Done!** Creating web sites can be time consuming. With your logos and our content, you are ready to celebrate!
- **Costs Less!** – Why start from scratch and incur great costs?
- **Customizable!** – Want **more customization** options? We can do that, fast!
- **Start Celebrating NOW!** Why spend time creating a site? We get you started on the main event – raising awareness about Israel!
